Learn from the brightest minds in the industry.

Space Tech Expo USA brings you a free-to-attend conference, featuring two dynamic stages:

Industry and Technology and **new for 2026**, the Skills Lab, offering workshops and masterclasses to inspire and empower attendees.

With over 70 expert speakers from across the space supply chain, this is your opportunity to dive into key industry trends, explore new opportunities, and attend high-impact sessions.

Anaheim Convention Center,
Hall A
800 W Katella Ave,
Anaheim, CA 92802, USA
